## **Community Room and Facility Use Agreement**

Alyssum is a crisis respite. Individuals using the community room must abide by the following in order to ensure a safe space for continued work of our guests. Please read and sign the agreement below as evidence of your commitment to support our program.

- Community room visitors may not enter the rest of the house without prior permission from staff and current guests.
- All visitors must show respect to staff and other guests.
- Smoking is allowed outside, 25 feet or more from the building. Everyone is required to keep the area clean by properly disposing butts in provided containers.
- Alcohol and illegal drugs are not permitted on our premises at any time.
- Alyssum maintains a zero tolerance policy towards violence, sexual harassment and the possession of weapons of any type.
- Community Room host agrees to leave the room clean, remove all trash from group activities and to be responsible for stocking and removing any supplies needed, including snacks, beverages and presentation materials.
